

INTRO Good evening, I am your host Karen Hudes in this series on the Network of Global Corporate Control. Today's segment is based on an email I received on June 10th forwarding a YouTube video <https://www.youtube.com/watch?v=Beb57H2RFqA> in French called, "Stop the Criminal Swiss Nazi"; on the YouTube page is the information that Pharaonic Nobility rules the planet out of Switzerland. We have learned that the CIA is headquartered in Switzerland, not Langley Virginia. I put this information up on my social media, and people asked me to translate it. I am glad to oblige, but first some background.

On April 12th I devoted a segment to Switzerland.

The email from Switzerland includes some "Gematria". Wikipedia defines gematria as: "Assyro-Babylonian-Greek system of alphanumeric code/cipher later adopted into Jewish culture that assigns numerical value to a word/name/phrase in the belief that words or phrases with identical numerical values bear some relation to each other or bear some relation to the number itself as it may apply to Nature, a person's age, the calendar year, or the like."

PARIS ATTACK Friday 13: $1291 = 1 + 2 + 9 + 1 = 13$ the day the Templars were arrested in France and Switzerland was founded in 1291 by 13

ATTENTAT PARIS VENDREDI 13: $1291 = 1 + 2 + 9 + 1 = 13$ le jour ou les Templiers sont ete arrete en France et ont fonde la Suisse par le 13 en 1291

I want to preface this translation by saying that I do not agree with this author in two fundamental issues -- there is no extraterrestrial aspect to the Global Currency Reset. That is a way of distracting us from the task at hand. Also, this author is still very susceptible to the "divide and conquer" mentality. Now for the translation:

Stop the Criminal Swiss Nazi Templars

I was there years ago when Swiss industrialists discussed the future of France when the Nazis Octogon Templars and victors of the Second World War decided to carry out terrorist operations in a false flag operation in Paris. Perisis, as this is still called by its members, serves the house of Isis as a royal home of the widow. And several times I tried to warn the French authorities; by letters, not emails, videos and by two complaints against the Swiss state before two French courts in Boulogne on Wed, February 11th, 2014 and in Mende on March 24, 2014.

We are now in 2016, that makes it exactly two years, I have never received a response, a call, an email, a letter, nothing at all. And with my information we would have been able to avoid the tragedies of Paris and could have stopped the Swiss Octogon, because I

knew they would hit on a Friday the 13th in Paris, precisely because Friday, October 13, 1307 the French King Philip the Fair arrested all the Templars in France, and that is why the Swiss and their Nazi Templar Octogon still hate France and the French. Only 16 years before the Templars had already founded Switzerland on August 1, 1291, as they saw future problems. So this day of August 1 when the Templars founded Switzerland, is the national holiday of Switzerland, (their July 4th) . So the last of the Crusades took place in 1291, and the last stronghold of the Knights Templar St. Jean d'Acre in northern Israel was falling on the 18th of May in 1291. And only two and a half months later when returning the Templars founded Switzerland on 1 August 1291.

When we look at the flag of Switzerland, it is the same color as the red and white cross of the Knights Templar; the cross of the Templars is the only flag in the world that is not rectangular but a square. And unlike the white Swiss cross on a red background is a red cross on a white background, and it comes from the Knights Hospitaller, which were the predecessors of the Templars. And on the Swiss knife there is really an emblem of a Templar shield. And why these two red and white colors on the flag of the Swiss Templars?

The Pharaohs of Egypt had two empires, that of the southern Upper Egypt or Per Het or white house with a white crown and Per TAsR for Lower Egypt called the red house. Yes, the White House of the President of the United States in Washington, DC also comes from this. And note that the word Per is the same word that is used in Per Isis in Paris for the home of the royal line and descendants of the widow Isis. And since the purpose of the Crusades were the pyramids of Egypt where the Templars found their treasure, they gave both red and white colors of the united kingdom of the Pharaohs to Switzerland. Because these two warring kingdoms had red and white colors, when they made peace they formed a great united kingdom of the Pharaohs. And when these Templars, who are the descendants of the pharaohs - (which I will explain later) - came to Europe, they said, that's our neutral base, where we can put our valuables and money safely. This is also the base for NGOs like the Red Cross, the United Nations, the World Trade Organization, even FIFA for football, the organization for the Olympic Games, etc. All are there. Switzerland's neutrality is not for people, not for us, but for our Pharaonic masters and aristocratic lords who hold peace negotiations between warring nations in Geneva.

But there was also a third crown -- the blue crown of war, and that's why, the nations that make war for these Pharaohs our lords have three colors blue, white, red like France, England, the United States, the Netherlands - old red and white colors of the French flag symbolizing the united kingdom of the Pharaohs and blue for war. Like the blue caskets for the Pharaohs and for the Blue Crown of Pharaoh, and after that the negotiations in Geneva which has taken the colors of the united peace kingdom red and white of the Pharaohs.

The Templars were actually not monks but aristocrats. But under or primogeniture and the law of the Pharaohs, only the first son was entitled to everything: castle, power, land, concubines, everything. And a second or third son would have nothing - absolutely nothing. That's why there were so many conspiracies and poisonings for succession in the courtyard at the castle. But normally it was traditional for the sons there to take refuge in monasteries. At one time there were so many offspring without power: they said, but we too are aristocrats, and we want our own kingdom. But for a kingdom we need money. So to have military support of those stupid Europeans they said, that there in Jerusalem Jesus lives with his grandmother, and we must save him from the Saracens, if not, God will punish us with the fire of hell and it will be the end of the world; same as a thousand years later they said that Saddam Hussein had weapons of mass destruction - all lied same tactic. And in 1099 sponsored by Templar Crusaders there was a terrible massacre in Jerusalem of Jews and Muslims; which these Templars Swiss Nazis have repeated during the Nazi era. The real purpose of the Crusades was to loot Egypt and the treasures of their ancestors in the Pyramids.

What became of the famous Treasure of the Templars? They brought it to their kingdom in the Alps to found the Swiss banks; and indeed the Templars became the bankers of Europe, and that is why later Swiss banks have collaborated with the Nazis. And when these Templars of pharaonic origin arrived in Switzerland, they named their country for the Sisters of Isis, "Su- Isse" The Pharaohs of Egypt have never disappeared; their current base is in central Switzerland, central to the tap of water and the tap of money. They speak four languages to be able to act in all directions. And it was written in the Bible, that the Pharaoh and his army disappeared into the sea. But of course the sea did not open. What happened was the army disappeared into the sea of people, and they are among us. And when they came to Europe, they all built castles to conquer Europe, and they became the aristocracy with their blue blood -- blue meaning for war, because of them there were constant wars in human history. You see Pharaoh with his aristocratic blue blood typing on humanity. And in less than 100 years, everything belonged to them: land, power and even our women by the Ius Primae Noctis or droit de seigneur, in which the first night after the wedding the groom was to leave his woman at the castle in the bed of the lord. And that's why the way, we found the genetics of A.D.N. Pharaohs among many Europeans. Then you think, they left like that and they disappeared without trace? As there were too many revolutions, including France and Russia, the nobility decided to secretly rule in Masonic lodges, and all politicians are Freemasons and aristocrats; that's why the Freemasons shows objects from their ancestors the Pharaohs as obelisks and Yachin Boas, pyramids, the widow Isis, the eye seeing all of Horus, etc. And actually as there were more and more aristocratic and royal descendants of the Pharaohs in Europe, who all wanted to be king, there were wars between kings and between the castles.

So we proposed the New World Order in a Masonic system, in which each of them could be king for a period of 4, 5 or 7 years. But who will vote? one member said, because between us we are too aware. Ah, said another, we will let the people vote because they are too stupid to understand. Allow the demos the people to vote in a circus, they'll appreciate it will give them the illusion that the people reign. And so, that democracy was born from the bourgeoisie. And if there is a New World Order, logically there is an Old World Order. And what is it that Old World Order? Well, that is the feudal system of kings, queens and princes and princesses. And from the Templars and their Swiss base the Freemasons and their New World Order is born after their war with the Old World Order and persecution by the King of France Philippe le Bel, who would not give up the door to the throne. And that's why these Templars' New World Order with the Swiss mercenaries in the Bastille, who tortured French citizens to provoke the revolution and the end of the Old World Order. Thus, the Templars gradually infiltrated French society by Swiss mercenaries orders of the Templars in France are now in all key positions with Swiss Manuel Valls at the head, wanting Marine Le Pen as president , which in turn shows Switzerland as a model for France and speaks of it openly. See my videos on my YouTube channels, all the evidence is all there. And the Swiss Guards at the Vatican. Even the Foreign Legion was founded by the Swiss with as first commander Colonel Von Stoffel, a Swiss, and French King Louis Philippe, who spent most of his life in Switzerland; like Mussolini, Lenin, the traitor Petain, Rudolf Hess, Mengele, etc. - They all lived in Switzerland. The symbol of royal dignity of the Pharaohs is the lion or the sphynx, and that's why, that an aristocratic coat of arms is still held by two lions and two lions at the entrance of the castle. But there's never been lions in Europe. It means that there is a foreign power that reigns in France and around the world because we in Europe were wolves and bears and no lions. And when I translate in a A-Ri-ri-or stocratic-ry-in in the demotic and written language of the Pharaohs, that means A pregnant or large, and when a woman is pregnant it's big, and R c is the sun as the sun god Re or Ra. So A-Ri: it means pregnant - sun, they were born over there these sun worshipers pharaonic sun. My Muslim brothers, the enemies are not the Jews, as the Swiss say the Nazis, but the enemy is the Pharaoh with their base Nazis Templars in Switzerland, and Pharaoh is designated as evil incarnate in the Qur'an the Bible and the Torah, and Pharaoh will put Europe's Muslims in concentration camps, like the Swiss did with the Jews during the Second World War. Take a guy like Sarkozy, who is Jewish on the side of his mother Andrée Mallah in Greece. But it is also an aristocrat and from a line of Hungarian kings, and that's why, he has this Sar syllable in his name; it's an abbreviation for "his royal highness," and it means the king in the demotic language of the Pharaohs as in a sarcophagus, it's a box to put the king in, when he died. Or as King Caesar of Rome, NebuchadneSAR the king of Babylon, Tsar of Russia, WindSAR family of England and the King of France Sarkozy to 7 or 5 years. Then there's that Sarko is what he is Jew or is he is an aristocrat? It's like asking the Prince Charles, if he is a prince or English. He will not tell you, but he will think that he is an aristocrat and being

English is something for the people. So is this Mr. Sarko; it is first aristocrat, and long long time after a Jew and still long long time after that he is French ... without a drop of French blood. And this elite class put away their loot without exception through tax evasion in their red and white neutral base -- this united kingdom of the Pharaohs in Switzerland. There are 80 billion French Euros which eventually land in Switzerland, because the aristocratic bourgeoisie never pays taxes, but is them who invented taxes and became parasites of the hungry people while they partied at the castle with our wives and taxes. And all that endures to this day made possible by their financial base for the global elites in the Alps. And when in October 2010, the young Austrian Wolfgang Umfogl wanted to sell bank CD with dates, names and figures on tax evasion in Switzerland, Germany, France and the US IRS, the Swiss secret is nabbed and one committed suicide in just two weeks in a torture center for immigrants Amthaus Bern.

So I, Sean Hross, contacted the largest newspaper in Austria, the Kronen Zeitung and helped write an article, and they published that the young man was tortured and killed by the Code O2T oxygen deprivation. When the corrupt Swiss authorities and 100% fascists have read and seen my name Octogon sent me an anti-terrorist unit for mafia intimidation. The arrest was published in the newspaper Blick, I filmed in my channel YouTube. After I received death threats from the Swiss police, who beat me and lied and did things to silence me, and I have witnesses to that. Finally they forbid me from mentioning anything about terror in Switzerland terror on YouTube, which I refused, because what I publish is the truth and we can see on YouTube how the Swiss strike me, and everything is published under US law. After I did not dare leave the house for four years until 16 July 2015 when the Swiss authorities kidnapped me and held me for a ransom of 20,000 Swiss Francs until my wife paid the rest of the ransom. For all these organized crime Swiss against me and my family, crimes against France, crimes against humanity and crimes against the Jewish people in the Holocaust organized by the Swiss I want to complain. And I made documentaries in English on my channel and YouTube giureh chatzefratz such as the murder of the French minister Robert Boulin organized by Octogon Swiss Templars Nazis, poisoning an entire French village St.Esprit bridge with several dead for the Swiss can better sell LSD to CIA with Alan Dulles and J. Edgar Hoover every 2 from Switzerland to head the CIA and FBI, such as Octogon has infiltrated La France. The Presidents Eisenhower and Herbert Hoover real name Huber that were all Swiss, and even Obama Swiss ancestors Ried-Kerzers the canton of Berne, and the criminal Erich Honecker president of East Germany was a Swiss also. When Swiss Herbert Hoover became President, only a few months later the Swiss have caused the Wall Street Crash of the US stock market to steal the savings of simple American citizens, and for this occasion a few months later the Bank of International Settlements was founded Basel Switzerland central bank of all central banks like the US Federal Reserve, which transferred the stolen money to the Bank of International Settlements in Basel bank Nazi Hjalmar Schacht and 33 degree mason bank Adolf Hitler to finance the

Nazi war industry. Hitler was already in Zurich Switzerland in 1923, when General Ulrich Wille Switzerland married into the aristocracy von Bismarck financed invited to Switzerland because Rudolf Hess was educated at the Polytechnic of Zurich. And the Swiss Octogon Templar Nazis financed conditions to massacre all the Jews of Europe and to destroy France. Subsequently the Swiss have put all their men at the head of the Nazi fury as the Minister of the Reich health SS Obergruppenführer Dr. Leonardo Conti with nickname Switzerland sadistic born in Ticino in Switzerland as the maternal family of Manuel Valls. He was responsible for experimentation on 400,000 people. And like Dr. Joseph Mengel, Conti was an ethnic Swiss, who after the war lived protected by the Swiss authorities in the Badhausstrasse 9 in Kloten Zürich, and that was to ski at Engelsberg -- the mountain of angels, while he was the angel of death at Auschwitz, for his son Rolf was educated at the most expensive boarding school in the world in Montreux. After the commissioner of police in Bern, the Swiss capital, Dr. Heinrich Rothmund was given a Red Cross passport for Argentina as Klaus Barbie the Butcher of Lyon, Adolf Eichmann and the rest of the Templars Swiss Nazis. Tens of thousands of criminals of the Nazi war were given Red Cross passports. Standartenführer SS Colonel Karl Jäger born in Schaffhausen it was also a home and the head of the Einsatzgruppen, the wave of assassins behind the German army to liquidate the civilian population in Russia, and it has everything noted in the report Jäger, how they killed 400,000 Jews in the pits of which 32,000 were children - manually. The main brain behind Adolf Hitler and World father of eugenics was the Swiss Dr. Ernst Rüdin born in St.- Gallen Switzerland. And as Dr. Mengele the first commander of the first extermination camp Sobibor SS Sturmbannführer was Christian Wirth. Christian nicknamed the Terrible was an ethnic Swiss. This is also true of Rudolf Hoess, the commander of Auschwitz. As well as Julius Streicher, who published the racist magazine "Der Stürmer", which showed the other races and religions like animals, just like Charlie Hebdo. Heinrich Himmler, head of the SS, etc., they were all ethnic Swiss. What is an ethnic Swiss? During the war of 30 years between 1618 until 1648 about 100,000 Swiss mercenaries under Templar control have made a real genocide of the German people, killing 20 million Germans and their children corresponding to two thirds of the German population. Whole cities have disappeared from the earth, and these Swiss mercenaries told their compatriots in the homeland: that's it, it's free directory you can you install it. So in the south of Germany Baden-Württemberg, a large part of Bavaria, Vorarlberg and Alsace are ethnic Swiss, who replaced the indigenous population of origin, and who speak German dialect - that's so ethnic Swiss like most of these Nazi leaders. And they were all ethnic Swiss. And yet Gallo-Roman Alsace Swiss mercenaries have killed 95% of the population, giving the name Al-Alsace they are all Alsuissiens. Not French, and not German, because they are Swiss. It is today the richest parts of Germany and France for obvious reasons. In 2014, there was word in major international newspapers that Switzerland wants to build a great empire now with Alsace, southern Germany, western Austria and northern Italy and repatriate to the Reich all ethnic Swiss; it worked

throughout history as a buffer zone around Switzerland to better protect the homeland central database.

The Holocaust and World War II was therefore 100% organized and run by the Swiss, and I also lost my grandfather in 1942, who was an officer in the British Navy. So I brought the complaint before a French court against the state of Switzerland for the murder of 50 million people. It was the Swiss that planned the Holocaust and World War II - most other Swiss crimes against humanity and crimes against me and my family mentioned here in this text and shown in the movie YouTube named "Switzerland Beast - Base of the Devil." As the revelations of John in the Bible: the beast had seven heads and 10 horns - it is Switzerland that beast which has 7 heads of state, called the federal councilors, who share 10 ministries between them . Burgdorf in Switzerland by the name of Berthoud in French is probably the birthplace of modern Nazism until today the center of world Nazism, because in the 18th century there lived the Duke Hartwig von Hundt-Radowsky, a Pharaonic aristocrat again. This was the inspiration for Hitler to come up with the idea at a very young age to eradicate all Jews in the world - and it always comes from Switzerland to our days with attacks in Paris in 2015. When the Swiss fascist mafia held me hostage for a ransom of 20,000 Swiss Francs because of my historical documentaries like "Auschwitz made in Switzerland" and others on the responsibility for the Swiss Shoah, the Octogon kept me hostage in the torture center of Burgdorf which is also the birthplace of modern Nazism. Duke Hartwig von Hundt-Radowsky when in the cell next to me there was a neo-Nazi Burgdorf who was sentenced for only a few months for making explosive bombings on refugee centers, while there were immigrants with long sentences of many years for doing nothing. The neo-Nazi was completely tattooed with words like 6 million is not enough, so I knew he had surely read the works of the Duke of Burgdorf. And on his face there was a huge Swastika tattooed, and I still see that large swastika on his face when I told him: "now with all your tattoos, you really are a black man. " And as cold as the Swiss are reptilians, I do not even know if he Verily appreciated my sense of humor british or not. There were also guards with Nazi style letters in the neck, and he was the favorite inmate of guards, who were always cheerful and full of smiles like old friends, while we immigrants were subjected to the Swiss Nazi hatred in this center of Burgdorf.

We must differentiate two forms of nazism: Nazism of the poor and Nazism of the rich. The Nazism of the poor is very visible and very noisy with the rising right hand, shaved head tattooed expressing their hatred at any time, primary, not overly endowed with intelligence by saying top and from a working class forced to live with immigrants as neighbors less desired; this model is rare in Switzerland the country by Nazi definition of wealthy bankers and industrialists acting in secret, invisible, silent and very organized. And it is always the rich Nazis who mobilize the Nazism of the poor and not the vice versa; this is the kind Le Pen in France, billionaires, lawyers and truly visible in my videos with the Swiss flag in their hands, and trying to mobilize Nazism of the poor

for their obscure goals rather traditionally busy to get rich through more war and subsequently to hide their base in Switzerland Octogon, what the Nazis actually made during the Second World war. And the Nazis won the war like that, unlike the Germans who lost it. And at the end of the war there were the Red House at Place Kléber in Strasbourg a DST agent (or its predecessor) present, who testified to Octogon. But he did not understand why I like this name actually Octogon. Well, when one draws a line around a cross of the Knights Templar or the Swiss cross same, we will have an octagonal shape. And being a historian (as I am) or archaeologist, you know, the Templars almost always built their castles and forts temples in an octagonal shape, and obviously based on the same reasons the eyrie of Hitler the Führer Templar Nazis built in an octagonal shape. And that's why, Nazism Swiss wealthy sentenced the young tattooed Nazi poor to very light sentence because it could still prove its useful qualities questionable in the near future. And until that day it will still be locked up for a very short time, locked with the immigrants he loves so as to increase by saying its helpful qualities to Nazism rich, who are centered in Octogon in the Alps and preferred example of Marine Le Pen also of course Nazism rich. That's why, there will be more terrorist attacks and false flags around two weeks before the presidential elections in France to manipulate public opinion towards Le Pen for president as the events of Friday, November 13, 2015 just before the elections as by chance, and we saw neither a body of these so-called Arab attackers - instead of that there was serious evidence in very large English newspapers like here in "the Mirror" of 14 November 2015, which saw men white with blue eyes, very beefy and muscular military genre. That is why in Paris there are only people left who were taken as target: Charlie Hebdo, a rock concert at the Bataclan for youth left with long hair and soccer, yet something the people. No right targets were mentioned, neither the authorities nor the McDonalds right next to these targets from Friday 13 to Paris; it is clear that these Templars Nazis Octogon were behind this false flag. I know, it was Octogon, because I was there, when the future of France was discussed by Octogon Switzerland, and I can provide names. We can already deduce logically by the fact that you cannot know all this without being initiated. And that's why in Switzerland I spent five and a half years in prison as a political prisoner for expressing myself on things, that the laws of Switzerland try to silence. And in this country in the Alps there is a long tradition of hate, racism and anti-Semitism against everyone who is not Swiss and does not match the model designed. So at the same time that the Duke Hartwig von Hundt-Radowsky Burgdorf Switzerland is the center of the hard Nazism published his anti-Semitic theses in the 18th century and read by Hitler and the rest of the Nazis, the state of Switzerland in 1776 ordered by decree that the Jews of Switzerland should all be locked up in small Endingen and Lengnau villages north of Switzerland near the German border, hoping they would all get the hell to Germany that they did indeed. And a few years later there was no Jew in Switzerland; they were all gone and driven from Switzerland, such as the Swiss with their terror toward others did with me now. And so the old tradition continues, the Swiss anti

everything that is different, with Muslims as Jews today - the anti-Islam concentration camps are ready. And in the Middle Ages in Switzerland, the state had already forced the Jews to always wear a yellow circle on the jacket and a yellow hat with a form like the typical hat of sorcerers and very long. It is therefore no surprise that the State of Switzerland already before the Second World War forced all the Jews to have a J stamp in the passport and David for men and Sarah for women before their names in the same passport; that of course the Krauts found it a great idea. Even the slave boats slaves to America were owned by the Swiss, the KKK Ku Klux Klan was founded by Swiss and a logo on a red background with a white cross in it - the flag of Switzerland, the Lockerbie bombing was built by the Swiss company Mebo and Zürich and the terrorist attack in Tunisia in 2015 was caused by the Nazi police in Zürich; proofs of these things are in my films. The gray eminence of Octogon Switzerland François Genoud was a personal friend of Adolf Hitler and Amin Al-Husseini, the Mufti of Jerusalem, Arafat's uncle and head of two Muslim SS divisions, which led a real Jihad against the Serbs, Jews and Gypsies in Yugoslavia, killing about 400,000 men, women and children and having them slaughtered in the terrible camp Jasenovac. After the war Genoud found a lawyer for Klaus Barbie the Butcher of Lyon, Adolf Eichmann in Jerusalem and other Nazi henchmen. Together with the other gray eminence Hans Huber Ahmed Al-Swissri they founded the Al Taqwa bank to better finance Islamofascism with which they infected Islam with ideas in Mein Kampf and to finance terrorism left years '60 and '70, which were more driven by the Stasi in East Germany Erich Honecker led for 30 years, who was also an ethnic Swiss Saarländische Schweiz in southern Germany and far from East Germany and more. In 2001 the Hans Huber Ahmed Al-Swissri another eminence grise of Octogon broke into our house twice, which was just a few kilometers from where he lived. It was better to write against Jews and Christoph Meili instead of writing against Switzerland, if not I will never see more Mairon my son just removed by the Swiss; I refused, and I've never seen him like my child - it's been 15 years now, and I do not even know if he is still alive. I know in advance that this complaint will not help as the other two complaints before because the Octogon Swiss is in power everywhere by the global masonic star, receiving their orders by the Templars of Octogon in the Alps; there true laws of silence to this cursed base, which will always be protected by media, international armed brief by the absolut power. The Swiss are organized criminals with a country. Is Cui Faecit Prodest: who therefore made the terrorist attacks on France? Answer: Switzerland because it destabilizes the European Community hated by the Swiss. Swiss borders are closed to the Muslims. Free passage to Europe instead, all in the interest of Swiss Nazis in this country ruled by the extreme right. I hope that there are more people in the world who understand that Switzerland represents evil incarnate the basis of the devil.

Please accept the assurances of my highest consideration:

OUTTRO Thank you for listening to another segment of "The Network of Global Corporate Control." This extraordinary letter found its way to my inbox, and I wanted to share it with you. Until next week, I am your host, Karen Hudes.
