@Proud_Liberal thanks we are the winners - we have already put the puzzle together and broken through reality.

Good evening, I am your host Karen Hudes. This show is a weekly Series called the Network of Global Corporate Control that has been coming to you for the last two $\frac{1}{2}$ years from DCTV. Today's segment is pre-recorded and is called "Jigsaw Puzzle2" Thanks to DCTV, Carmen Stanley, Studio Producer; Maurice Jackson, Audio and Prompter; and _____ Floor Director

Last week we talked about the "show of force to the CIA" by a Marine Expeditionary Unit, and said that the US military knows that the CIA is headquartered in Switzerland, and does not have the security interests of the United States as its mission. We are viral:

There are a lot of new viewers. Most of this segment will give these new viewers background information to bring them rapidly up to speed. We are going to discuss the basics during the broadcast with background information at the end of the teleprompter.

If you need further clarification, do not hesitate to send me an email -- if you don't "get" it, chances are the same issue is also confusing someone else.

The corruption coming from the Banking Cartel is getting exposed. You can see how this is affecting everyone from the comments on twitter, facebook, and on YouTube.

<https://twitter.com/KarenHudes>,

facebook

<https://www.facebook.com/karen.hudes.10/>

<https://www.youtube.com/user/KarenHudes>

The more the Banking Cartel tries to convince us that it is "business as usual," the more we see that this is not the case. What does this mean? This means that the Banking Cartel is not able to manipulate us, and this means we remain in control and the Banking Cartel loses control.

What do I mean that we remain in control and the Banking Cartel has lost control? It means that the Banking Cartel's agents are not going to be rewarded and it means that the US is going to access its monetary gold reserves and that the Federal Reserve is getting wound down and that there is going to be a Global Currency Reset to replace Federal Reserve Notes for local currencies and for national currency that is not issued by the Banking Cartel. It means that the hoax perpetrated by the Banking Cartel and its agents is in full view. Now it is in full view to a critical mass of people. Soon this reality is going to be evident to everyone. My tweet on this day that we are pre-taping this show says:

Karen Hudes

@KarenHudes

The Board of Governors of the World Bank and IMF declared the second, secret Constitution of the United States of 1871 that the Banking Cartel secretly put into place invalid.

The text is at the end of the teleprompter.

Now I am going to quote from the June 13, 2017 video

https://youtu.be/ym-alJo_FBA and teleprompter

<https://s3.amazonaws.com/khudes/dctvteleprompt6.13.17.pdf> of the segment Jigsaw Puzzle 1.

We said that the secret martial law that was in effect in the US ever since the Civil War in 1861 had ended. Enough people in the military remain loyal to the US Constitution, and to their oaths, to prevent the demise of the United States. This is also since Germany and Japan do not want the US military to surrender unilaterally because of the unconstitutional

Federal Reserve Notes. A critical mass of people sees through Donald Trump's charade. This includes the US military, over 70% of them according to my information. ...

A picture is worth a thousand words. Here are pictures of José Rizal, the Philippines national hero. Between December 1942 and September 1946 José Rizal became Superior General of the Jesuits, as Father Antonio Diaz. José Rizal and his lawyer Ferdinand Marcos deposited the world's assets in a secret trust named the Global Debt Facility for the benefit of humanity. In 1944 they established the World Bank and International Monetary Fund to administer the Global Debt Facility.

An Egyptian lawyer named Ibrahim Shihata, then General Counsel of the World Bank, hired me into the legal department of the World Bank in 1986 after I had written a legislative history of the G77 as a law student in 1977. The G-77 is a group of 134 Developing Countries, and forms a cornerstone of the Coalition for the Rule of Law that is overseeing the clean-up of the corruption in the world's money system, using the assets that were deposited into the Global Debt Facility. We call this clean-up the Global Currency Reset.

It has taken awhile to tell people what is really going on. This is because there are crooks trying to enslave and kill humanity. These crooks are descended from the Pharoahs and the Templars, and they have combined together in the Secret Societies and in a large company on the world's capital markets, and bought up all the media, including most of the alternative media. Three mathematicians, Stefania Vitali, James B. Glattfelder, and Stefano Battiston at the Federal Institute of Technology in Zurich, Switzerland identified a “network of global corporate control in http://arxiv.org/PS_cache/arxiv/pdf/1107/1107.5728v2.pdf. This network is often referred to as the “Banking Cartel.”

The Banking Cartel keeps on lying and falsifying history, especially ancient history. Humanity (the ones who can still think straight) is helping to put the puzzle pieces together so that we can clean up all the corruption and replace paper currency for gold in a Global Currency Reset. The number of people who are following me and who understand that I am telling them about reality have reached critical mass. This means that the Banking Cartel is no longer hidden, and of course this also means that the Banking Cartel has now lost control over humanity. This result was predicted with 90-95% likelihood from the National War College's power transition model.

<https://s3.amazonaws.com/khudes/sentia+model.pdf>

I have been using social media. The other media is controlled by the Banking Cartel. The search engines are especially corrupt. There is massive clean-up work required because the corruption is so pervasive. I have refused to go on shows that will not let me talk about the world's wealth in the Global Debt Facility, and the Global Currency Reset.

This was because I had sent an email to the Israeli Representative and the rest of the Board of Executive Directors of the World Bank. I have put this email in the teleprompter and I will give you a link to this email when I upload this segment on YouTube later tonight. Let me read you [from the] email:

The world is going to plunge into another dark ages if the world's gold, cloaked in secrecy, is not promptly allocated to its beneficiaries..the Global Debt Facility.

Ibrahim Shihata, former General Counsel of the Organization of Petroleum Exporting Countries, hired me into the World Bank legal department in 1986, and I was reinstated in settlement of my bondholder litigation in order to bring the International Bank for Reconstruction and Development into compliance, and to qualify for the US capital contribution to the World Bank under § 7082 of the Consolidated Appropriations Act, 2012 (Pub. When Dominique Strauss-Kahn, then Managing Director of the International Monetary Fund, asked about the gold in the Global Debt Facility allocated to the citizens of the world, he was run out of town. The United States remains a scofflaw and a deadbeat, failing to meet its shareholder commitment on the World Bank's capital increase. This is because Jacob J. Lew, Secretary of the Treasury, forgot to tell US Congressional Appropriations Committees <http://www.treasury.gov/resource-center/international/development-banks/Documents/2013%2009%2005%20GCI%20Report%20-%20Posting.pdf> whether the effects of retaliation against whistleblowers had been eliminated, which is a condition for release of the funds allocated to the capital increase under § 7082 of the Consolidated Appropriations Act, 2012 (Pub. L. 112-74): <http://www.whistleblower.org/storage/documents/whistleblowerlanguageinHR2055.pdf>

The 188 Ministers of Finance on the Board of Governors of the World Bank and IMF reinstated me as Acting General Counsel of the International Bank for Reconstruction and Development to satisfy this condition, and to settle my bondholder litigation to correct inaccurate financial information to World Bank bondholders, of which I am one. <https://s3.amazonaws.com/khudes/judicialconference.pdf>

Global Debt Facility

I met May 21, 2017 with agents of the Banking Cartel to ask them to concede. None of them would acknowledge that they were agents; however, it was very satisfying to confront them face-to-face. One of these people had been involved when an Israeli agent gave me a concussion with a karate chop on my neck beneath my chin. Here is an interesting "tweet" that can give you an idea whom I was meeting with

<https://s3.amazonaws.com/khudes/Twitter8.15.15.1.pdf>

I realize that people would prefer to hear directly what is going on rather than have to click on various links. I will update you in an unbroken narrative on June 13th during the next live broadcast on DCTV; I am working on the teleprompter.

For now, let me simply summarize what people that are following this saga on the internet already know. One of the reasons that we are talking about what is going on in my social media is that a critical mass of people are working together in a coalition. The proof that this is so can be readily seen

because we are communicating back and forth with each other over the internet.

...

This past week I reminded people that Pope Francis and the hierarchy over the Vatican (the secret societies; the bloodline families; the Jesuits; in short the group that I have described many times as the "head of the snake") had already tried to steal the world's wealth in a trust called the Global Debt Facility, and that I had invalidated this attempt. The Board of Governors that manages the World Bank and IMF has fired the agents of the Banking Cartel who do not really run the World Bank and International Monetary Fund.

Do not be fooled about the number of people that are part of the coalition for the rule of law that is now of critical mass and working together to clear up the corruption. The counters on the internet are inaccurate. You can tell right away that this is so from the following post on Twitter Analytics:

I am going to upload the rest of the background information in the teleprompter for Jigsaw Puzzle 1 on the internet.

Yesterday one of my followers called and asked me some questions about the Global Currency Reset. Andrew's first question was when the currencies would be exchanged. I explained that either we have the Global Currency Reset, or we are in WWIII. So long as WWIII has not started, we can look forward to the Global Currency Reset.

When? As I explained on September 12th, there is no way to tell how long this is going to take. The world is on a Nantucket Sleigh Ride as the coalition for the rule of law keeps on throwing harpoons into the Banking Cartel whale.

Andrew then asked me about a very old interview from four years ago. His question reminded me that I had once believed Dr. Edward Spencer's theory about another species of beings on Earth with cone heads. I told Andrew that I had dropped this subject after I realized my mistake. I told Andrew that the Banking Cartel was misleading him about me, and that Ed Spencer had been working together with other agents of the Banking Cartel like Alfred Lambremont Weber to try and discredit me. I admitted that I was mistaken. The Banking Cartel has never let me live that mistake down, and is still trying to discredit me by showing four year old interviews.

I admit that I do not have perfect knowledge. When I am wrong, I admit it. Hopefully I have learned to be less gullible.

I want to spend the rest of our time today on the Banking Cartel's favorite hobby: Divide and Conquer:

A month ago I tweeted my response to another agent of the Banking Control. Divide and conquer is their favorite argument:

<https://s3.amazonaws.com/khudes/Twitter10.15.17.1.pdf>

I already defused Mossad's trap to blame the Jews and Israel as scapegoats for everything (the old divide and conquer trick) How did I do this? Barry Chamish is a famous Canadian Journalist who died suddenly on the very same day that Mossad learned how Barry Chamish was exposing that Shimon Peres obtained nukes for Israel (by trading 4,500 Yemeni babies to the US to use as guinea pigs in experiments showing harm to humans from radiation)

Barry Chamish saw through things. I will give you an article that Barry Chamish wrote at the end of this teleprompter [hint--Israel was working with the Nazis to increase anti-Semitism in order to attract new immigrants from Germany]. Barry challenged us to see the world as it really is. When we are armed with Barry's insights, the Banking Cartel's efforts to divide us do not work.

Here is a video on the day after Mossad killed Barry Chamish

People stay calm. The insolvent Banking Cartel wants to provoke you during the Global Currency Reset. The Banking Cartel is really just one group of interconnected companies. The US federal government after it was bankrupted by the Banking Cartel is part of the Network of Global Corporate Control. I called the Secret Service on December 4, 2014, and asked them to guarantee to Barack Obama that he would not be killed for doing his real job in representing the American people.

Holland is where the first corporation - the East India Company - started. A Dutch company, Wolters Kluwer, is the agent for most of the companies in the world. Jason Erb, director of strategic alliances for small business at Wolters Kluwer's CT Corporation, tried to discredit me.

Ferdinand Marcos as M1 established the World Bank to end the corruption in the world's money in a Global Currency Reset. I am the Overseer Mandate Trustee of the world's wealth, and am implementing what Marcos set out to do. As fake money and fake governments are exposed, people must remain calm so that we can exchange the paper for real money peacefully.

STOP WATCHING THIS FRAUD CUNT ALREADY!!!! STOP GIVING HER ATTENTION. She hasn't provided a single document to prove anything just her drawings. It's absolutely MIND BLOWING that being a "1% ter" as she loves to say from NYC that as you see in the chart behind you, she has all the major Christian firms up. (Which are few) where do you get the balls you Jew cunt to talk about corruption and the stealing of US freedoms and not mention A SINGLE FUCKING JEW. R U OUT OF YOUR FUCKING MIND?!!!!!!!

Mandel house. August Belmont The Rothschilds the warburgs the schiff's the Rockefellers on and on and on. The federal reserve equals = ZIONIST JEWS. PERIODDDDDDD. your scared to debate anyone. I'm 27 and will wipe the floor with you just to show everyone working at "the world bank" doesn't mean you know shit about macro economics. This is a communist Israeli agent trying to stir things up for the GREAT PEACE LOVING JEWS. You got some pair of tits on you to attack the Vatican. Ohhh yes it's the Vatican that owned our 2 previous central banks and have put hits out on over 75 world leaders in last 250 years it's the Vatican that owns and controls the fed and are the shareholders of the federal reserve. I must have missed that chapter in my years of studying.

Go choke on a dick u Jew cunt

You're generalizing. You're making it about a particular religious group. Those that are working to remove individual human rights are not all Jewish, nor are they all Catholic, etc. Your bigotry is causing you completely miss the point. The powers that

she is trying to clue you in to has been using religious conflict and race for very long to cause people to fight among themselves and keep attention off the Agenda. You seen to be openly flaunting your gullibility. You also think the Federal Reserve is in control. They are a very small part of the group of companies. It is clear that you have been so quick to jump to your religious hatred that you didn't bother to actually study the points.

[RT](#) 4 days ago

Alan Cosens Congratulations Alan, you have failed in all forms of history and economic policy like I've never seen. "The federal reserve is a small part of companies ". What the fuck did you just say????????? The fed RUNS THE ENTIRE WORLDDDDDDDDDDDDDDDDDD. nothing has been or hopefully will ever be more powerful. They set the global INTEREST RATE DO YOU HAVE ANY IDEA OF THE POWER THAT IS ? and don't say something stupid. "Ohhh well other countries have their own central banks they don't listen to fed". I'm sure that was about to pop into your head. They will all have to react within a week. All crude oil and other transactions are priced in dollars what are you even saying ? Let me guess your a lefties that thinks Exxon mobile has more power then the fed? Well you just failed don't even try to redeem yourself that's beyond pathetic And like I said I'm from NYC. I have tons of Jewish friends. I know the difference between good Jews that want peace and spread gods word and read the Old Testament and the neocon Zionist that follow the Talmud. Now if you think that banking and their plan has nothing to do with religion then you must live in Idaho. There has never been a "goy" fed chairman in 100 years. The 8 major shareholders of the 4 banks that own the fed can never sell the shares under any circumstances even if all vote. If a problem arises (this is buried in their thousands of pages charter) that the wold Zionist organization will step in and take control till the time being. They have killed president after president they've terrorized the west into going along with their bullshit and that's why the media is so scared of Trump. Get your head out of your ass. And this women who's a Jew lawyer for 20 fucking years!! At the world bank doesn't ever mention the name Rothschild. Well I'm sorry this is a shill and dis info Mossad agent 101. If you know 10% about global economics and central banking and the Zionist Jew names aren't flowing out like a bar mitzvah then I'm sorry with all do respect you have no clue about anything being discussed so next time instead of looking like a total asshole, don't run to a fellow tribesmen so fast and blind

RT, Karen has published every single document, to every global financial minister, and minutes from every global finance meeting she has attended as well as every e-mail in complete transparency. Including the historical documents that created the trust in the first place. It will take a dedicated effort on your part to go back and educate yourself. Global Finance and it's history is a complex study in, of itself. Karen is a global financial lawyer at the World Bank, and was there for 20 years. She is not a 'Media personality' so don't expect 'polish' just facts. But do the historical dumpster diving yourself. There is enough gold in this trust, from the treaty of Versailles to pay off the entire worlds debt, and release us from the grips of the international Banking Cartels of the Federal Reserve. The BRIC nations and the G77 are

already operating and the US may join them as long as we do not bring the Federal Reserve with us, and go back to our Constitution of 1789 with its full Bill of Rights and legal fiscal system run by our own nation. Instead of the 1954 economic agenda designed to suck our own economy dry to support the rest of the world

you don't seem to understand the divide and conquer game at all. your bad language is not helping your argument either. the Banking Cartel and the bloodline families go back to the previous ice age, before the Jews even came into existence. Saying that I haven't provided a single document to prove anything? Of course I have, and that is why people are remaining involved. Now try and see what is in the documents and try and reason better if you want to be relevant. Otherwise, I am going to block you.

Donald Trump is harming me and the American people with his lies and his charade. He is preventing me from mobilizing the US' monetary gold reserves during this interregnum in the legitimate government of the United States. Donald Trump is now bankrupt, alongside the Banking Cartel (which is not entitled to interest on the US and other countries' debts, because the Banking Cartel owes us 2 quadrillion dollars.)

Enough people in the military remain loyal to the US Constitution, and to their oaths, to prevent the demise of the United States. This is also since Germany and Japan do not want the US military to surrender unilaterally because of the unconstitutional Federal Reserve Notes. A critical mass of people sees through Donald Trump's charade. This includes the US military, over 70% of them according to my information.

A Clarifying Moment in American History

There should be nothing surprising about what Donald Trump has done in his first week—but he has underestimated the resilience of Americans and their institutions.

ELIOT A. COHEN | JAN 25, 2017 | POLITICS

This article reveals The Atlantic's hypocrisy. The Atlantic has a knack for hypocrisy:

The link on the last document was broken on aws, so I simply uploaded it again on a New Zealand digital cloud service. I also just tweeted it:

It was especially telling when I confronted Eliot Cohen for his hypocritical article in The Atlantic about Donald Trump's Press Secretary, Sean Spicer. After I called out Cohen for his hypocrisy, he revised his story a little, but Cohen still didn't tell people about the interregnum in the United States or about the Global Currency Reset. Cohen is still a

liar caught out in his hypocrisy. Cohen did not do what he said he was going to do, which is to clarify the moment in American history for us.

what you said

the actual situation

kicking the Chairman of the Joint Chief of Staff out of meetings of the Principals' Committee	Joseph Dunford, Jr. has refused the US' monetary gold reserves that General Eisenhower deposited in the Global Debt Facility. Dunford has committed treason. https://s3.amazonaws.com/khudes/Twitter11.4.16.1.pdf
dark and divisive inaugural speech	Trump's inauguration was fake because the Electoral College was not legitimate, seeing as the Banking Cartel replaced the US' Constitution of 1789 with a second, secret Constitution, and the US is now in interregnum. There is no real divisive US policy in actual fact because the policy of the US on the Board of Governors that administers the US' monetary gold reserves is what counts. The US will fulfill its treaties of defense with allies Germany and Japan. https://s3.amazonaws.com/khudes/Twitter10.31.16.1.pdf The rest of the Board of Governors of 189 countries agree on Global Currency Reset, necessary to avoid WWII
Extraordinary attacks on a free press	the Banking Cartel controls the press
Press Secretary Sean Spicer was denying reality	So are you, as shown in this chart
Reliance on alternative facts	You are ignoring the facts, while enumerating small differences that are not material, just to confuse
Spicer said, "our intention's never to lie to you." A lie is intentional. The verdicts at the major cable-news networks were much the same, even though Spicer had stuck by the very same lies he told on Saturday. Reporters, like theater critics, reviewed his performance and concluded that Spicer seemed very professional while doing it. Yet there is simply, no point to political journalism if the press cannot tell the public when the government is lying.	What are you doing in your article?

Another telling moment was when I criticized Huffington Post for an article about how Donald Trump was "inching" toward a Constitutional Crisis. I said we had already arrived at a full-blown Constitutional Crisis

Dear Journalist,

Perhaps you have missed some of my interaction with Donald Trump. I have passed many messages to Donald Trump. Michael Cohen passed one of my messages to Donald Trump over a year prior to the election. <https://s3.amazonaws.com/khudes/trump1.pdf>

What I have been asking Donald Trump all along is to stop lying that the US Constitution of 1789 is in effect. This means, of course, that Donald Trump is now impersonating the President of the United States, which he cannot be, as the Electoral College was not duly convened. I have made this point on YouTube here, which includes my letter of November 6, 2016 <https://s3.amazonaws.com/khudes/Twitter11.6.16.5.pdf>

to David Ferriero, Archivist of the United States
<https://www.youtube.com/watch?v=fbprnAVaApM>

When Donald Trump (as the agent of the Banking Cartel and traitor to the United States that he is) insisted on continuing the charade and hoax, I put a commercial lien on Donald Trump, worth 1.8 million metric tonnes of gold. Donald Trump went into default on this commercial lien.

<https://s3.amazonaws.com/khudes/Hudes%2C+Karen+World+bank+agents%2C+et+al.+2nd+CommLien+12-14-16.pdf> In a week the Global Debt Facility will also have a commercial lien against that agent of the Banking Cartel and fraud Neil Gorsuch.
<https://s3.amazonaws.com/khudes/Gorsuch2.pdf>

I want to talk about the latest hypocrisy of The Atlantic in the June issue, Will Trump Destroy the Dollar?

No, Trump will not destroy the dollar, because the Federal Reserve Note is not the dollar. The Federal Reserve Notes are getting exchanged for currency issued by the US Treasury, and then for currency minted from the US monetary gold reserves that are administered by the Board of Governors of the World Bank and the IMF.

Sebastian Mallaby is an agent of the Banking Cartel, and he is lying to you. Mallaby does not say anything about reality. Mallaby says, instead, "Since then, Fed independence has come to seem like a given, as solid as the independence of newspapers or the courts." There is no independence of newspapers or courts. These are owned by the Banking Cartel, and create a fake reality.

We are entering reality, folks. Welcome to the Global Currency Reset

Sincerely,

THE JEWS' BLUES
by Barry Chamish

We begin with a critique of a poem by our great poet, Leonard Cohen.

<http://www.newyorker.com/magazine/2014/09/08/almost-like-blues>

ALMOST LIKE THE BLUES

by Leonard Cohen

I saw some people starving

There was murder, there was rape

Their villages were burning

They were trying to escape

I couldn't meet their glances

I was staring at my shoes

It was acid, it was tragic

It was almost like the blues

*I have to die a little
Between each murderous thought
And when I'm finished thinking
I have to die a lot
There's torture and there's killing
There's all my bad reviews
The war, the children missing
Lord, it's almost like the blues*

*I let my heart get frozen
To keep away the rot
My father said I'm chosen
My mother said I'm not
I listened to their story
Of the Gypsies and the Jews
It was good, it wasn't boring
It was almost like the blues*

*There is no G-d in heaven
And there is no Hell below
So says the great professor
Of all there is to know
But I've had the invitation*

That a sinner can't refuse

And it's almost like salvation

It's almost like the blues

Leonard tries to find a reason for our collective heartache, the decimation of our people, the rapes, murders, the burning of villages, the tortures, the dead children, but he could find no justification. So seeks help; His father says we are chosen, his mother disagrees. His wise professor says it doesn't matter because there is no G-d above or Hell below. Cohen concludes there is no answer or salvation. It's almost like the blues.

My feelings precisely. And the same sense of helplessness pervades all Jews, from the deluded Left, the deluded Right, the deluded Religious, the deluded Secular. No matter how we try to explain our history, nothing works. There is only one way out of the morass and it hurts an awful lot. It's facing the truth. It has to be done for our mental health and it's starting to get done.

I have more than a passing interest in Cohen. He inspired my MA thesis:

In 1979, I received my MA from the Hebrew University of Jerusalem. My thesis title was; *Us Against Them: A Comparative Study Of Leonard Cohen's, The Favourite Game and Mordechai Richler's, The Apprenticeship Of Duddy Kravitz*. Both were outstanding works of literature created by two Montreal Jews in the late 1950s.

Cohen handled his sadness and confusion by drifting into clinical depression. Yet here he is, alive and vibrant, singing his heart out in his 80s.

[Leonard Cohen - Almost Like the Blues \(Audio\) - YouTube](#)

I saw a much younger Cohen perform in Jerusalem. He was overwhelmed to be there and told his audience, "I'm so f...ing happy to be here." And he was. And we were glad that as a people we were watching OUR poet and loving him. And we should have been.

But he didn't know that there is a war between the establishment of Israel and the opposition Religious/Right. The best of their writers are retaliating with disturbing research, some of which, I will present after a brief commercial plug. Mr. Cohen, I follow your thoughts, please do a tit for tat with me. Grant me that small privilege. Read and respect another side of your people and with courage your blues will disappear; once you accept that without Israel there would not have been an unexplainable Holocaust.

THE SECULAR ZIONIST AGENDA FOR A JEWISH STATE

Rabbi Dr. Chaim Simons

P.O.B. 1775, Kiryat Arba

INTRODUCTION

In an article in the English edition of "Mishpacha" in January 2005 appeared the following:

"The Left is still loyal to the State of Israel in varying levels of faithfulness, but it hates Eretz Yisrael. The difference between these two is clear: Eretz Yisrael is a reminder of the Left's Jewish past, which it wishes to forget. ... The Left's disconnection from the Jewish nation has reached the point where they are prepared for settlers to be killed during the evacuation effort [Gaza area and North Shomron]. Spokesmen of the Left have already announced that this will not be a war of brother against brother since 'the settlers are not our brothers'." (1)

Unfortunately this is not a new phenomenon. It has always been an integral part of the secular Zionist agenda. They wanted a Jewish State (according to some of them, even if it were to be in Uganda or Argentina) but it had to be administered according to their programme and perception for the "New Jew."

SELECTIVITY -- THE SECULAR ZIONIST WAY

Eretz Yisrael was Divinely given to the Jewish people (2) and every Jew has an equal right to live there. However as we shall see, the secular Zionists thought otherwise.

At the eighteenth Zionist Congress held in Prague in August 1933, Ben-Gurion said

"Eretz Yisrael today needs not ordinary immigrants, but pioneers. The difference between them is simple -- an immigrant comes to take from the land, whereas a pioneer comes to give to the land. Therefore we demand priority for Aliyah to pioneers."(3) (emphasis in original)

The question here is how would Ben-Gurion define an "ordinary immigrant" and how a "pioneer"? From his speech, it is obvious that a person working the land on a kibbutz is a pioneer. However, it would almost certainly appear that an old person coming to spend his last years in the Holy Land or even a Yeshiva student would be classed as a mere "ordinary immigrant"!(4)

A few months later in mid-October 1933 a meeting took place between, amongst others, the High Commissioner for Palestine, David Ben-Gurion and Moshe Shertok (Sharett). The Minutes of the meeting were written up by Shertok.

During the course of this meeting Ben-Gurion spoke about the three million Jews then living in Poland and stated that "Palestine offered no solution for all Polish Jews. Immigration into Palestine was necessarily limited, therefore it had to and could be a selected immigration. Zionism was not a philanthropic enterprise, they really wanted here the best type of Jew to develop the Jewish National Home, but they had to be given sufficient scope to bring over people of whom the country was in need."(5)

The question which remains is who would decide who was "the best type of Jew"? As will soon be seen, such a Jew was someone who was a secular Zionist!

It was a few years later at the 20th Zionist Congress held in Zurich in August 1937, that Weizmann spelled out more specifically what was meant by "selective Aliyah."

"I told the members of the Royal [Peel] Commission that six million Jews want to go on Aliyah. One of the members asked me ' Do you think you could bring all of them to Eretz Yisrael?' On this I answered ... that two million young people... we want to save. The old people will pass.

HITLER'S JEWISH PSYCHIC

Born to a family called Steinschneider, Erik Jan Hanussen arrived in decadent Berlin, and became the prophet of the Third Reich

BY MEL GORDON

Historians digging into the archives to reconstruct the chronicle of the twentieth century will have to deal with this strange phenomenon of Hanussen, born Herschmann Steinschneider in the humble home of a poor Jewish actor in Vienna. It will be their task to unravel a complex maze of reality and legend, myth and romance, to reach the core of the true personality of Steinschneider, alias Hanussen, and his influence on one of the most significant chapters of European history, the ascent and reign of Adolf Hitler.

— Pierre van Paassen, *Redbook*, May 1942

The story of Erik Jan Hanussen, the Viennese-Jewish psychic who befriended Adolf Hitler and became known as the “Prophet of the Third Reich,” is one of the most peculiar in modern European history. Few twentieth-century historians have acknowledged Hanussen as a factor in the dissolution of the Weimar Republic. That the Führer had engaged a wily Jewish clairvoyant might seem the stuff of mocking political fantasy or occult make-believe — but the story is true.

When Pierre van Paassen, the prominent Dutch author and foreign correspondent, wrote the above passage in the American periodical *Redbook*, the amazing exploits of Erik Jan Hanussen were still hot international copy. At least fourteen stories on Hitler’s Jewish astrologer and clairvoyant had appeared in the American press alone beginning in 1937. Several exposés were penned by Germany’s greatest journalists, then in exile — acclaimed writers such as Bella Fromm, Egon Erwin Kisch, and Arthur Koestler.

But after September 1942, the name Erik Jan Hanussen disappeared from public discourse. The strange tale of “Hitler’s Pal” (as Hanussen was tagged in American true crime periodicals) was stricken from the record, only appearing in secret wartime Office of Strategic Services memos related to the character analysis and psychopathology of the Führer. By the time the American home front had geared up for total war, the very notion of European Jews as anything less than the targets of Fascist genocide could be viewed in Washington as a form of fifth columnism. The story of a Jewish mystic who helped usher in the era of the Third Reich and then became one of its first victims was buried — and with it, one of the most bizarre chapters in the history of the Second World War.

Zionists had a record of cooperation with the Nazis in the 1930's. They had a trade plan by which German Jews could redeem their property in Nazi goods exported to Palestine. Adolph Eichmann also helped them set up training camps in Europe and even visited Palestine as their guest. In 1935 the steamer "Tel Aviv" made its maiden voyage from Nazi Germany to Haifa with Hebrew letters on its bow and a Nazi flag fluttering from its mast. The Captain of the Zionist-owned ship was a member of the Nazi Party. A passenger described the spectacle as a "metaphysical absurdity."

Actually it made perfect sense.

The ship transported German Jews who had taken advantage of the "Haavara" program, which allowed them to exchange their money for its value in Germany products in Palestine.

As a result, the fledgling Jewish colony received about 70,000 highly educated German Jews and 140 million Reichmarks worth of German industrial equipment. This laid the foundation of Israel's infrastructure.

Zionists, welcomed the Nazis' anti Semitic policies. Like the Nazis, they believed in race-based national character and destiny. Like the Nazis, they believed Jews had no future in Germany. The co-operation extended to political and economic spheres. Adolph Eichmann set up agricultural training camps in Austria to prepare young Jews for Kibbutz life. He visited Palestine and conferred with Zionist leaders who confessed their true expansionist goals Think about it. Hitler could have just confiscated all the Jewish wealth. Instead he used the "Haavara Program" to help establish the State of Israel.

On Nov. 25, 1940, a boat carrying Jewish refugees from Nazi Europe, the "Patra," exploded and sank off the coast of Palestine killing 252 people.

The Zionist "Haganah" claimed the passengers committed suicide to protest British refusal to let them land. Years later, it admitted that rather than let the passengers go to Mauritius it blew up the vessel.

"Sometimes it is necessary to sacrifice the few in order to save the many," Moshe Sharett, a former Israeli Prime Minister said at memorial service in 1958.

Jack Bernstein in his book 'An American Jew in Racist Marxist Israel' stated -

"The Ashkenazi Jews, who migrated to Israel from Germany, while sympathetic to Communism and support it, tend to favor the practices of Nazi-style fascism. During World War II in Germany these elite Zionist Ashkenazi Jews worked closely with Hitler's Gestapo in persecuting the lower class German Jews and delivering them to concentration camps. Now living in Israel, these elite Zionist Jews, who were well trained in Nazi-style fascism and favor it, have imposed many facets of fascism on Israel.

THE JEWISH BRAINS BEHIND THE HOLOCAUST

THEODOR HERZL, THE FOUNDER OF ZIONISM

The term "Zionism" was first introduced in 1893 by Nathan Birnbaum, but Theodor Herzl, an Austrian Jew born to a prosperous, emancipated Budapest family, is recognized as the founder of the Zionist ideology when he published his book in 1896, "The Jewish State", where he declared that the cure for Anti-Semitism was the establishment of a Jewish state. As he saw it, the best place to establish this state was in Palestine.

While Herzl claimed that the establishment of a "Jewish" state would cure Anti-Semitism, he also promoted Anti-Semitism to further his cause.

Herzl stated in his diary:

"It is essential that the sufferings of Jews.. . become worse. . . this will assist in realization of our plans. . . I have an excellent idea. . . I shall induce anti-Semites to liquidate Jewish wealth. . . The anti-Semites will assist us thereby in that they will strengthen the persecution and oppression of Jews. The anti-Semites shall be our best friends". (From his Diary, Part I, pp. 16)

Benny Morris (the Israeli Historian), described how Herzl foresaw how Anti-Semitism could be "HARNESSED" for the realization of Zionism. He stated:

"Herzl regarded Zionism's triumph as inevitable, not only because life in Europe was ever more untenable for Jews, but also because it was in Europe's interests to rid the Jews and relieved of Anti-Semitism: The European political establishment would eventually be persuaded to promote Zionism. Herzl recognized that Anti-Semitism would be HARNESSED to his own--Zionist-purposes." (Righteous Victims, p. 21)

See minute 14:00 about a student getting arrested and electroshocked with a taser when he asked John Kerry a question on Skull and Bones

Mr. Kerry and other recalcitrant agents of the Banking Cartel need to understand that the Coalition for the Rule of Law is in charge. The Banking Cartel is not in charge of the United States now that I am voting the shares of the United States on the World Bank's Board of Governors which controls the US' and other nations' monetary gold reserves. A critical mass including many in the US military understand this. The Global Debt Facility is going to bankrupt Mr. Kerry.

To the Electoral College which cannot be duly convened, as stated below, because the US Constitution of 1789 was suspended under a permanent state of emergency.

http://www.barefootsworld.net/war_ep1.html

To the list of email addresses below:

On November 6, 2016, two days before the bogus elections, I wrote to Mr. David S. Ferriero, Archivist of the United States, (who cannot convene the Electoral College since the Constitution of 1789 is suspended). <https://s3.amazonaws.com/khudes/Twitter11.6.16.5.pdf>

Mr. Ferriero has not answered the concerns raised in my letter to him, as he was obligated to do. I posted my letter to Mr. Ferriero on the internet, along with a letter to Japan's and Germany's Military Attachés in Washington. <https://s3.amazonaws.com/khudes/Twitter10.31.16.1.pdf> As I explained during the video with screenshots of this correspondence <https://www.youtube.com/watch?v=fbprnAVaApM> US' treaties for the military defense of Japan and Germany cannot be fulfilled unless the US Constitution of 1789 goes back into effect. A power transition model from the US National War College <https://s3.amazonaws.com/khudes/sentia+model.pdf> is very explicit. <https://www.youtube.com/watch?v=fbprnAVaApM>

Let me summarize where we are. The Board of Governors of the World Bank and IMF declared the second, secret Constitution of the United States of 1871 [http://3rddog.weebly.com/uploads/1/1/0/7/11073361/us-constitutionstudy\[1\].pdf](http://3rddog.weebly.com/uploads/1/1/0/7/11073361/us-constitutionstudy[1].pdf) invalid that the Banking Cartel identified by Vitali, Glattfelder, and Battiston of ETH Zurich http://arxiv.org/PS_cache/arxiv/pdf/1107/1107.5728v2.pdf secretly put into place.

The Board of Governors of the World Bank and IMF are responsible for administering the US' international monetary gold reserves together with the rest of the world's monetary gold reserves, other precious metals, art treasures. Here is a provisional inventory. <https://s3.amazonaws.com/khudes/Inventory+D-Tunnel+2.jpg>

Items 9 and 10 in that inventory contain 2 quadrillion dollars worth of bonds that the Banking Cartel owes to us <https://s3.amazonaws.com/khudes/treaty+of+versailles+offer+of+sale+2+quadrillion1.pdf>

I commented today on the article <https://sputniknews.com/business/201612151048598648-deal-investment-fund/> on my twitter account, and other social media, which is distributed widely over the internet, as I vote the shares of the United States on the Board of Governors of the World Bank and International Monetary Fund as OverseerMandate Trustee of the Trust established by President Truman and General Eisenhower at the end of WWII. The Secretaries of State of the 50 states have recorded financing statements (UCC-1)'s against the Federal Reserve, <https://s3.amazonaws.com/khudes/ucc1.pdf> and the Federal

Reserve is now being wound down under world-wide bankruptcy proceedings by the Board of Governors.

Japan, Russia and the US minus the Federal Reserve are allies, as I mentioned in my letter of October 31, 2016 to Japan's and Germany's Military Attachés in Washington.

<https://s3.amazonaws.com/khudes/Twitter10.31.16.1.pdf> On behalf of the Board of Governors of the World Bank and International Monetary Fund, I told Mr. David S. Ferriero, Archivist of the United States, (who cannot convene the Electoral College since the Constitution of 1789 is suspended) that the monetary gold reserves of the United States in the Global Debt Facility are being deployed to enable the United States to fulfill its treaty obligations in the defense of Germany and Japan

<https://s3.amazonaws.com/khudes/Twitter11.6.16.5.pdf>

In the meantime, as stated in the second notice to Donald J. Trump

<https://s3.amazonaws.com/khudes/Hudes%2C+Karen+World+bank+agents%2C+et+al.+2nd+CommLien+12-14-16.pdf>

Donald J. Trump has failed to acknowledge that the United States is not operating under the Constitution of 1789 nor has he acknowledged that the US' monetary gold reserves are administered by the Board of Governors of the World Bank and International Monetary Fund because they are in a Trust established at the end of WWII by General Eisenhower and President Truman.

Instead, Donald Trump has perpetuated the hoax on the American people, despite having had the opportunity to rectify these falsehoods

<https://s3.amazonaws.com/khudes/trump1.pdf> Donald Trump has harmed me personally with these lies and falsehoods, as this has prevented me from returning to the World Bank's headquarters and working on the Global Currency Reset agreed to by the Board of Governors of the World Bank and IMF, and returning the Constitution of 1789 of the United States via an Article V Constitutional Convention

Thank you for your time and consideration. There is little likelihood that the corruption and hoax perpetrated against the world's peoples will prevail much longer, as accurately predicted by the US National War College power transition model.

Sincerely,
Karen Hudes

If Mr. Ferriero weren't corrupt, you wouldn't be in such a vulnerable place right now. The Electoral College does not exist when Congress has suspended the Constitution under a state of emergency. Anything you do will be rescinded, with 90-95% likelihood, except that you will live in shame for the rest of your life.

Re: The US Congress has suspended the Constitution of 1789

Dear Mr. Ferriero,

As the US. Congress has suspended the Constitution of 1789 by declaring a state of emergency (http://www.barefootsworld.net/war_ep1.html), the provisions concerning the electoral college process [see <https://www.archives.gov/federal-register/electoral-college/provisions.html>] do not apply. Neither do the statutes governing the electoral process, which provide that electors shall vote for President and Vice President, respectively, "in the manner directed by the Constitution."

The Board of Governors of the World Bank and International Monetary Fund administer the monetary gold reserves of the United States pursuant to the Bilateral Minesfield Breakthrough Successor Agreement, which was accepted on behalf of the United States on August, 11, 1950 by President Harold Truman and General Dwight Eisenhower. I vote the shares of the United States on the Board of Governors on behalf of the United States until the Constitution of 1789 goes back into effect via Article V thereof.

The secretaries of state of ten states in which the Federal Reserve Banks are located have filed UCC-1 financing statements evidencing over 2 quadrillion dollars, together with compounded accrued interest on Treaty of Versailles bonds issued by the Federal Reserve during the 1930's. The Board of Governors has informed Illinois' secretary of state that he had no authority to attempt to invalidate the financing statement which was duly filed against the Federal Reserve Bank of Chicago. <https://s3.amazonaws.com/khudes/Alternative+to+WWIII.pdf> The Federal Reserve Banks are insolvent, and are being wound down in the Global Debt Facility.

On behalf of the Board of Governors of the World Bank and International Monetary Fund, I have informed Germany and Japan that the monetary gold reserves of the United States in the Global Debt

Facility are being deployed to enable the United States to fulfill its treaty obligations in the defense of Germany and Japan. <https://s3.amazonaws.com/khudes/Twitter10.31.16.1.pdf>
